AMENDMENT

Responsive to the Official Action dated February 2, 1999, entry and consideration of the *H-15-00*
following amendments and remarks are requested.

IN THE CLAIMS:

Please cancel claims 20, 22-30 and 32-42, without prejudice.

Add the following claims.

C 1

Sc 3

-- 43. A method of treating a metastatic tumor which occurs in but does not originate from the central nervous system of a human which method comprises the step of administering to the said human an effective amount of a mutant herpes simplex virus type I which has a non-functional γ 34.5 gene in the long repeat region (R_L).
